AFMAN 23-110, Volume 2 (CD), Part 2, Chapter 11, 1 April 1996, is supplemented as follows:

SUMMARY OF REVISIONS

This revision exercises the option to submit all requests for non-EAID items to the Demand Processing Element (paragraph 11.3.2.2); changes "will" to "may" regarding the use of a quick reference list (paragraph 11.3.3.4); adds the "reporting" of delivery times for expedite issue documents will not be accomplished (paragraph 11.4.1.2 NOTE); and realigns paragraphs with the manual.

*11.3.2.2. Submit all requests for non-EAID items to the Demand Processing Element (LSS/LGSC).

*11.3.3.4. A quick reference list, developed and published by Maintenance Supply Liaison (LSS/LGLM), may be used for call-ins.

*11.4.1.2. NOTE. The following document numbers will be assigned when processing applicable transactions:

Demand Processing (R or X)	0001 to 0300
Materiel Storage and Distribution (TIN)	0301 to 0400
Equipment Management (P)	0401 to 0599

Keep copy 1 of AF Form 2005 for determining the next available serial number. The recording and reporting of delivery times for expedite issue documents will not be accomplished.

11.11.2.4. The option to forward the I004 management notice for a "killed" issue request will not be exercised.

11.30.1. The Inspection Element (LSS/LGSD) will not develop a Health Hazard Approval Listing (HHAL).
